Is there anything else we should know about the set up in the new location that we should take into consideration as we plan for the delivery of the spa?

Great Atlantic will use all necessary care in the pick up and delivery of your spa. Safety is our primary concern. We cannot be held accountable for damage to the spa shell or shell. Additionally, we are not responsible for damage that may occur to surface areas such as walkways, lawns, gardens, concrete, decking, siding or other surfaces.

Please make note of the following:

- It is the customer's responsibility to have the spa disconnected from electrical connections and empty of all water.
- The customer must be available at both the spa pick-up site and redelivery site.
- It is the customer's responsibility to secure permission from any third parties that will be necessary to perform the spa move. A copy of this form must be signed and forwarded to the Great Atlantic store location prior to scheduling of the spa move.
- The delivery fee and mileage charge (if applicable) must be paid in full 48 hours prior to the scheduled delivery date.
